

CYPRESS AT BADEN PARK

[RENTCYPRESSBYANTHEM.COM](https://rentcypressbyanthem.com)

Rooted on the North Shore

Cypress offers studio to three-bedroom homes surrounded by the parks and trails of the North Shore — where mornings begin on forest paths, weekends lead to mountain adventures and home is part of the connected Baden Park community.

From Ron Andrews Recreation Centre to Maplewood Flats Conservation Area, some of the North Shore's most beloved places are just minutes from home.

Interiors Made for Living

Crafted by North Vancouver-based design team The Mill, the interiors draw inspiration from the surrounding North Shore landscape. Soft neutral tones, durable wide-plank flooring and natural materials create calm, welcoming spaces, while private balconies invite the outdoors in.

Natural woodgrain finishes, polished quartz countertops and stainless-steel appliances create a kitchen that feels warm and well-crafted.

Community Comes Together

A welcoming social lounge provides space to gather, while quiet focus pods offer a place to work or recharge. Secure bike storage, a repair and wash station and a pet wash make it easy to rinse off after a day on the trails. Thoughtful shared spaces support the rhythm of life on the North Shore.
